### BACKGROUND

The central theme of this conference is to examine the trade and development partnership between CARICOM and the EU and the way ahead. This conference will examine the role of legal principles on this partnership and enhancing trade, investment and sustainable development.

### CONFERENCE TOPICS

Persons with an interest in International Economic Law, UN AGENDA 2030, EU and CARICOM issues of developing and how to foster trade relations in times of evolutionary development of regional cooperation, and their related aspects to other communities, are invited to submit paper proposals related to one of the seven following categories:

- Trade and Development
- Investment and Environment
- EU Policy: Trade for all and its implementation
- Sustainable Development Goals (SDGs)
- Corporate Social Responsibility
- Impact of Brexit
- Reparations and other open questions due to colonialism

### PUBLISHING

Selected papers will be published after the conference.

*Further details on the conference theme, the themes of the panels and information about the submission procedure will be available on the following websites at a later date:*
